## A WORD FROM OUR DIRECTOR.

NIET is a diverse community of students, teachers, academics, and care professionals. Available to students and alumni alike is a wealth of professional experience, student support services, information, and resources. We have a high student graduate success rate, with cross-sectoral partners for real-world placement, a growing alumni program and a wealth of post-graduate learning opportunities.

Our practical courses provide students with the learning and hands-on experience required for a role in the ever-growing care services industry across Australia, and internationally, and our students gain direct entry to University, with academic credit available for Bachelor Degrees at ACU, Bond University, Griffith University, UTAS, and the University of Southern Queensland.

As the CEO, I want to see all our students become industry leaders, a hallmark of our 30-plus year tenure. At NIET Group, we have a reputation for producing bright and successful graduates, and I am confident that we will continue to do so today, tomorrow, and into the future.

Welcome to our colleges; I can't wait to see you on campus.
