BRISBANE CENTRE

Exclusive One-year Course

The intensive Fashion Diploma has been custom developed to provide all the skills you need to create and market a fashion collection - and showcase it on the runway.

Train with Industry Experts

Our team has more than 30 years experience developing clothing lines for major brands, including Harrods of London, Myer, and David Jones.

Save One Year off a Degree

Graduates of our programme can receive up to one year off a qualification at Torrens, Griffith University, or the University of Canberra.
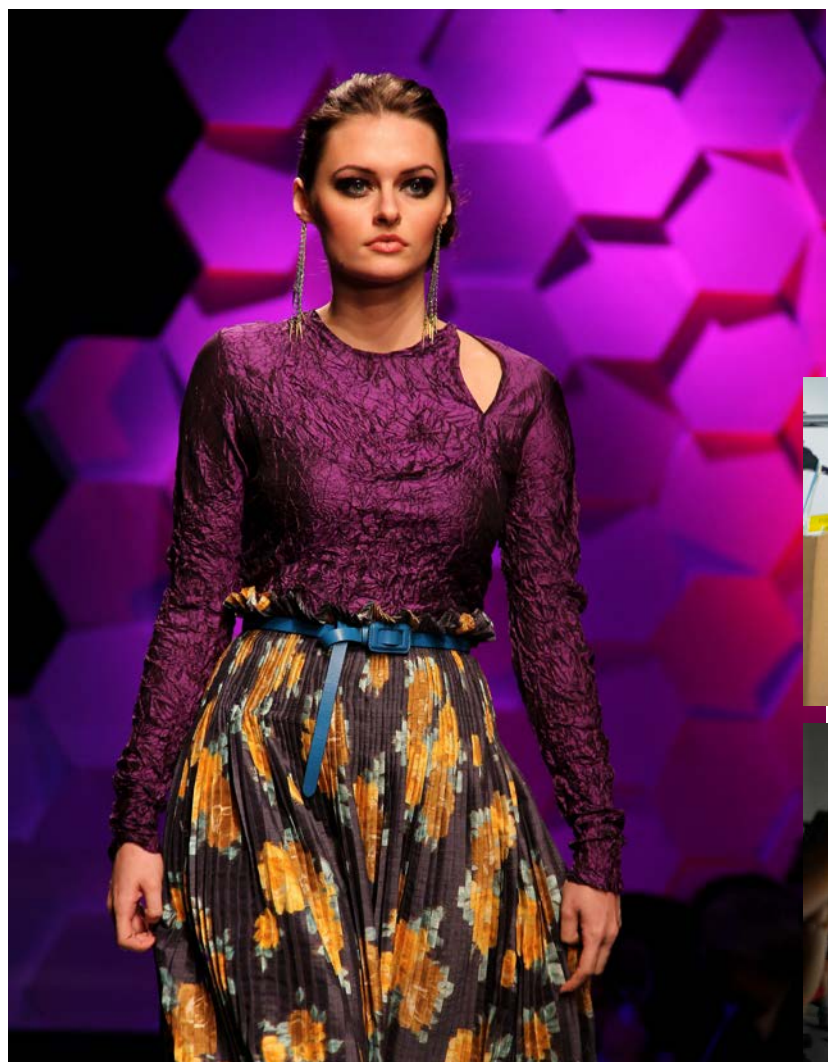

Very Affordable Tuition Fees

Our Fashion programme tuition fees are designed to be very affordable at $125 per week, and don't require students to take on a huge loan debt.

Why study Fashion with the National Institute of Education & Technology?

Education is one of the best investments an individual can make, and core to our mission is ensuring that gaining a qualification isn't out of reach. We structure our fees to be inexpensive, and provide payment plans to help you gain a certificate, diploma, or undertake graduate study, without taking on debt.

Our training programmes are structured to be the most direct possible path to a formal qualification, focusing on delivering the core elements required by the national standards.

COURSE BREAKDOWN

Our course teaches you the skills and knowledge relevant to fashion design and product development jobs, and assistant roles associated with fashion product management in a fashion enterprise.

Available on campus or online via distance, the Diploma is designed to lead to career and further training opportunities in either product design and development or business and merchandising, and elective choices are categorised by these specialisations. This qualification allows for a generalist qualification, or specialisation in the fields of 'Design and Product Development' and 'Fashion Business'.

When you graduate, you can articulate into a Bachelor of Branded Fashion Design at Torrens, or a Bachelor of Design at Griffith and save up to a year on your studies. Our cutting-edge fashion facility is designed to provide hands-on experience with the latest pattern-making, design and manufacturing equipment, including the very latest equipment and ultra-modern tools. Based in the heart of Brisbane, overlooking King George Square, the centre offers architecturally designed study and recreation spaces, with the best access in the city to transport, retail and restaurants.

TERM 1 **FOUNDATIONS**	TERM 2 **BUILDING**	TERM 3 **INTO YOUR OWN**	TERM 4 **FINAL COLLECTION**	PATHWAYS TO **UNIVERSITY**
The first semester walks you through the fundamentals of design, pattern making, learning to sew, and how to undertake the various facets of fashion practical and theory.	Second semester builds in new advanced concepts, including how to design and make patterns and designs using digital tools, plus discovering	Third semester focuses heavily on helping you develop your own creative style, and on the skills to both develop and understand a design brief and begin creating a collection.	Culminating in a formal Fashion parade, this semester involves creating your own collection, from design brief, to manufacturing, developing a brand and a plan for marketing & sales.	Our course provides up to 12 months off a university degree - meaning you can graduate in just 3 years with a practical Diploma and a theory-driven degree at one of the big unis.
