## DIRECT HIGH SCHOOL PATHWAY

Our Charlton Brown high-school programme provides a high-quality, direct entry into Education Queensland International (EQI) schools, in addition to dozens of award-winning catholic & independent Queensland secondary schools.

## AUSTRALIAN CULTURE + STEM

CB's hand-built preparation course covers not only math, science, english and computer science skills, but also immerses each student in Australian culture, with extensive care taken to help each student seamlessly transition into mainstream class.

## 40-YEARS OF ENGLISH DELIVERY

With more than 20,000 graduates from all over the world, our resources and training methodology have been built from the ground-up for learners studying in Australia with English as their second language, with extensive trainer support.

## THE PROGRAMME IN DETAIL

The intensive Charlton Brown High School Preparation classes consist of 25 hours of face-to-face instruction per week.

Attention is given to developing all Macro-Skills (Reading, Writing, Listening and Speaking) as students participate in theme-based study. Students will learn about Australian culture and school culture.

Teachers will also equip students with the language skills they need to participate and succeed in the mainstream classroom, and students will also receive instruction in Math, Science, computer technology - in addition to skills for developing learner autonomy.

Particular focus is given to developing learner autonomy as Charlton Brown recognises the importance of student achievement outside of the HSP Program.

Students will have opportunity to write academic papers, give spoken presentations, participate in class activities and access our online learning resources. The continuous assessment of students' learning will provide students with the feedback they need to be on track to enter the mainstream classroom at their expected date of entry.

Students wishing to enrol in our HSP Programme can commence studies on the Brisbane CBD campus from October 2022, with courses generally booked in blocks of 10 weeks, with customised durations available designed to best suit the student (arranged upon request).

Charlton Brown's High School Preparation Course is designed to prepare students to participate fully and successfully in the life of secondary school (high school) in Australia.

## ABOUT CB

### TRAINING FOR 40 YEARS

Charlton Brown is an award-winning education institute for more than 40 years. Founded in 1980, Charlton Brown has deep roots in educating international students from across the globe.

With more than 20,000 graduates from all over the world, our resources and training methodology have been built from the ground-up for learners studying in Australia with English as their second language, with extensive trainer support & high-quality online resources, and designed to prepare non-English speaking international students for entrance into mainstream study at a Queensland high school.

## RESOURCES

### INDUSTRY LEADING RESOURCES

Our primary resource for students is English for Everyone, with teachers supplemented by leading resources from Cambridge, Pearson, Oxford & the Queensland Government's school textbooks. Plus, we provide students access to the Ellii online learning system, offering a variety of lessons and activities on academic subjects, designed to prepared language learners to enter the mainstream classroom.

## ONBOARDING & ORIENTATION

Once your enrollment is confirmed and your deposit paid, you will receive an email and text message with an orientation video, logins to the Learning Portal, and the date when your classes start - plus your trainer will welcome you into the cohort & prep you for class.

## STUDENT AMBASSADOR & CB MENTOR

When you enroll, each Charlton Brown student is paired with an ambassador – a dedicated student welfare officer that’s available to help you with everything from accommodation, to study, to activities – they’re like your own private Charlton Brown Concierge.

## THE CHARLTON BROWN PROMISE™

We believe every student should have the best possible international education experience, all the way from enquiry to graduation. We commit to ensuring every international student has a great time studying, and to helping them graduate job-ready and industry experienced.
